

my mother

I was raped by 6 men on a train on a long distance journey between scotland and england in 1980. I finally - through the help of one of my sisters - told my parents after 3 days. My mother said 'well you were wearing a skirt with a split in it....'!! No support whatsoever from my mother. Fiance's boyfriend said he didn't believe me as I 'wasn't acting like a real rape victim'...this model was based on a friend of his who, when she was 14 was raped. Been involved in rape research as a result... it's the only crime where the victim has to prove consent was not given. Disgusting.
